

The El Dorado

2,339 sq. ft.

Experience your own resort-style haven every time you come home to the El Dorado! The elegant courtyard seamlessly blends outdoor and indoor living in this exceptional floorplan. The leisure wing with den, formal dining, great room, and kitchen area, are perfect for entertaining, while the adjacent family wing offers a private retreat for two spacious bedrooms and gorgeous master suite.

Rendering and floorplan are artist's conception of home. Actual home may vary from this representation. The builder reserves the right to change plans, materials, specifications and color schemes at anytime without prior notice or obligation. See your El Rio Sales Consultant for current information.
